Professional Development Situation: Coaching

Skill Focus: Giving Youth Control

Time Required: 15 minutes

ENCOURAGING YOUTH CHOICE

Participants will work through the "Youth Voice and Choice" video-based learning module and create an action plan to give youth more control of their STEM experiences.

Agenda

See the Skill in Action—5 minutes

• Youth Voice and Choice video-based learning module

Setting Goals—10 minutes

- How to Give Youth Control handout
- Action Plan

Materials

- Computer with internet connection
- Youth Voice and Choice video-based learning module
- Copies of How to Give Youth Control and Action Plan handouts
 - If conducting this session virtually, be sure the participant has access to these as well

Before the Session

- Read this coaching guide to become familiar with the content and allow time to personalize the activities to best suit your presentation style.
 - Italics indicate text that can be read aloud or emailed to the participant.
- Send an email to the participant being coached:
 - Our coaching session is scheduled for DATE at TIME. We will focus on "Giving Youth Control". Please feel free to contact me with your questions or concerns at CONTACT INFORMATION.
- Gather all materials needed for the coaching session.

During the Session

See the Skill in Action (5 min)

- Work through the steps of the <u>Youth Voice and Choice</u> video-based learning module.
 - Remind the participant that these are videos of real practice, not necessarily best practice.
- Reflect on how this video-based learning module offers ways to make small changes to existing activities to give youth control.
 - What does Perrin say to help youth take control of this investigation?
 - o How does the investigation seem to be designed to give youth control?
 - What can we incorporate in our program?

Setting Goals (10 min)

- Hand out the How to Give Youth Control handout.
 - What are the ways that you can support self-determination, goal-setting, and decision-making with your youth?
 - Definitions (although the participant should use their own words):
 - Self-determination: the ability to choose and direct one's own thinking and life direction
 - Goal-setting: selecting and pursuing short and long-term goals
 - Decision-making: choosing what to do and pursue in moment-tomoment interaction
- Have the participant complete the <u>Action Plan</u> to incorporate these skills into their practice.

After the Session

• Follow up with your participant to see how they are progressing on their action plan. Try to be supportive and helpful, not evaluative.
